

AGM 2022

Continuing Members Foundation Board

Bladins

Jürgen Müller

Background

- Born 1970
- MBA, Dr. in Finance
- Member of management board of DSB (Danish railroad) responsible for Strategy and Rolling Stock
- Chairman of Bladins Foundation Board since Oct. 2019

Highlights 2021/22

- Increased financial stability for the Foundation – profitable 3rd year in a row
- Improved and very strong quality results – especially for BISM and Grundskola
- Carried out swap of locations between GS and BISM
- Would have wished for faster closure of Sale & Leaseback to increase room for further improvements

Outlook 2022/23

- Continued execution of Foundation strategy
- Continued focus on further improvements – within budget constraints
- Closure of Sale & Leaseback process with Malmö Stad

Sten-Bertil Olsson

Background

- Born 1945

Highlights 2021/22

- A revised and more school-oriented strategy for Bladins Foundation
- First year with Quality seminars for the different Bladin schools
- Necessary and increased financial stability for the foundation as a whole and the different school-entities
- The swap for a future financially sustainability

Outlook 2022/23

- Fulfilling the quality work in accordance with the Education act by establishing the Board's quality plan
- Synchronizing the board year wheel with the schools quality wheel
- Continued execution of the Foundation strategy

Jesper Frantzich

Highlights 2021/22

- Actively supporting the Foundation Board's work to increase financial stability and improve quality as well as the swap of locations.
- Challenging way of working in the Foundation Board with intent to improve wherever improvement can be had.
- Wishing the sale & leaseback had been completed.

Background

- Born 1973
- BBA
- Head of Risk & Control, Nordea GBS COO
- Board member on the Foundation Board since 2021
- Extensive experience in among other things, Leadership, Management consulting, Business Development, Operations Management and Finance.

Outlook 2022/23

- Continued execution of foundation strategy
- Focus on continuous improvement at all levels
- Completion of sale and leaseback
- Solid deployment of funds gained in the sale and leaseback

Karin Larsson

Highlights 2021/22

- Got to know the 'school year' and its very complex environment:
 - Restrained by a limited skolpeng, challenged by harsh competition, yet focused on the well-being of students and teachers
- Focused on the quality report and quality dialog at BISM
- Would have wished for faster closure of Sale & Leaseback

Background

- Born 1971
- MSc, Economics and Statistics
- VP Communications at Trelleborg AB (publ)
- Previously Public Affairs consultant at Kreab
- Independent Member of Bladins Foundation Board since Oct. 2021

Outlook 2022/23

- Supporting the Bladins Communication Strategy
- Focusing on improving and communicating Bladins competitive advantages
- Looking forward to put the swap and Sale & Leaseback behind

Stephanie Affentranger

Highlights 2021/22

- Being the parents voice
- Challenging ways of working
- New Principal at BISM
- Not completing Sale-Lease-Back Project has a negative impact on the whole organisation

Background

- Born 1976
- Master of Business Administration and Controlling
- Finance Manager at Occlutech AB
- Member of Bladins Foundation Board since Oct. 2021

Outlook 2022/23

- Transparent and open communication with all stakeholders
- Improvements in the new schools to be up to standard
- Focus on financial stability under difficult circumstances

Yvonne Brogaard Nelson

Highlights 2021/22

- Creation and implementation of Strategy for the Foundation
- Improved quality results for BISM and Bladins grundskola
- Introduction of Quality Dialogues by all Bladins' school units
- Good location swap between BISM and Bladins grundskola
- Increased financial stability for the Foundation
- Better timeline for closure of the "Sale and Lease-back"

Background

- Authorized teacher in PE and Pedagogical Science
- School leader for both grund- and gymnasieskola
- Master of Social Science, Lund University, major in Pedagogical Science
- Development strategist in the city of Lund
- Inspector at the Swedish School inspection
- External assessor for the Swedish Council for Higher Education
- Member of the Board since 2019

Outlook 2022/23

- Continued implementation of the Foundation Strategy
- Synchronizing the Board year wheel with the school quality wheel
- Further development of the Quality work

Fredrik Bendroth

Background

- Born 1973
- Master of Science in Business Administration and Economics
- Group CEO and Company Owner of Move Invest, Founder and CEO of Movenet.
- Member of Bladins Foundation Board since Oct. 2020

Highlights 2021/22

- Improved and strong quality results that the entire organization behind Bladins should be proud of
- Increased financial stability, and the swap of locations between GS and BISM will prove to be important for the future of Bladins
- Sale & Leaseback work in process with the objective to increase room for further improvements at the Schools

Outlook 2022/23

- Continued execution of Foundation strategy
- Closure of Sale & Leaseback process
- Continuous work to improve communication for all stakeholders
